

Qualified trustworthy providers of electronic services valid in the CNMV's Virtual Office

10 July 2023

The Spanish Securities Market Commission is one of the offices to issue digital certificates of the Spanish Royal Mint (FNMT) for natural persons, representatives of a legal person, and representative without legal identity.

[Dirección General de la Policía](#)

It also allows the use of electronic certificates issued by a service provider included in the list published by the Spanish Ministry of Economic Affairs and Digital Transformation in its electronic register: [Trustworthy electronic service providers \(minetur.gob.es\)](#), as long as its use is authorised by the CNMV. Digital certificates currently valid for this Office and Electronic Register are issued by:
